On Wednesday, May 19, 2010, the Westchester Regional EMS Council will host the 37th Annual EMS Awards Ceremony & Reception. To date, the Westchester Regional EMS Council has received only a few award nominations. Since it is the intent of the Council to honor those who have contributed their time, professional expertise, and compassion to the betterment of the Westchester EMS community, we ask that you take a moment to nominate an outstanding individual or agency deserving of recognition. The awards process is dependent upon those people who work along side these unique individuals and agencies everyday to identify and nominate them for recognition.

The deadline for nominations has been extended. Please insure that your nominations arrive at the Regional EMS Office by the 5:00pm on Friday, April 9, 2010.

The 2010 Annual Award packet has already been emailed out to all organizations. Additional forms and instructions are available on the Council website, www.wremsco.org, or by contacting the EMS office.

The Annual Awards Ceremony is a highly anticipated, well-attended event that offers a respite from the daily emergency services routine and brings the entire EMS Community together for a night of camaraderie and reflection. The celebration will be held during the nationally recognized EMS Week in May at the Marriott Hotel in Tarrytown, New York. This year's event will include a ceremony to honor the award winners and a light reception immediately following.

If you should have any questions in this regard, please call Phyllis Smalley in the EMS office at (914) 231-1682.

On behalf of the Council, I thank you in advance for your participation. We look forward to your award nominations.
