

White Plains Hospital Center Emergency Room Update ***NEW Ambulance Traffic Pattern***

Effective Monday June 30th the new Ambulance Bays will open!

- Ambulance drop-off will revert to original bay location (accessible through ED parking lot)
- Keypad code **817*** is required for EMS door access (817 is WPHC's destination code)
- Walk-in traffic—patients NOT arriving by ambulance — will remain on East Post Road

Construction of the Emergency Department will continue. Look for signage to direct you through any patient traffic flow changes.

The new EMS Crew Room is coming soon!
