

Westchester Regional Emergency Medical Advisory Committee

Nicholas DeRobertis, MD, FACEP
Chairperson

February 3, 2010

To All REMAC Members and Attendees:

At the last meeting of the Westchester Regional Emergency Medical Advisory Committee (REMAC), the decision was made to reformat the committee's meeting schedule. As a result, meetings will now occur on the third Monday of every other month. Meetings will continue to be held at the Westchester County Emergency Services Training Center beginning at 9:00AM.

Although this will reduce the number of meetings held each year, a greater emphasis will be placed on subcommittee activities to ensure EMS system issues are addressed appropriately.

Attendance of the membership will be imperative to ensure a quorum is present. Additional meetings will be scheduled should emergent matters arise.

2010 REMAC Meeting Schedule:

January 25, 2010 (Holiday Conflict)	July 19, 2010
March 15, 2010	September 20, 2010
May 17, 2010	November 15, 2010

If there are any questions regarding this matter, please contact the Westchester Regional EMS Office at 914-231-1616.

Respectfully,

Dr. Nicholas DeRobertis, MD, FACEP
Chair, Westchester Regional Emergency Medical Advisory Committee
